

On Friday November 2nd, 2007, Winterlude attracted over 300 guests to participate in and enjoy an evening of winter celebration at Steam Whistle Brewery in support of Ontario Track 3 Ski Association. This year, Winterlude featured three bands, the largest silent auction yet, a live auction, Track 3 swag tent and fun raffles all night long! Additionally, guests were tempted with delicious sandwiches, savory hors d'oeuvres and of course: Steam Whistle Beer! Guests enjoyed the opportunity to mingle with friends, family and colleagues while volunteers of Track 3 had a great time reacquainting themselves with other volunteers who are also anxiously awaiting the season! There was something fun for everyone at this years Winterlude event and we hope to see you all back in 2008! A special thank you to all those who participated in and supported this event, your generosity has contributed to another successful and exciting season on the hill for the amazing children who benefit from Track 3!

A special thank you to our...
